

Voice

Body Language

Speaking is unclear and too quiet for the audience to hear.

Speaking is:

- Clear
- Too quiet at times
- Slightly too quick
- Has some expression

Speaking is:

- Clear
- Loud
- Slow
- Expressive

You are:

- Facing the audience
- Still; not animated
- Sometimes making eye contact with the audience

You are:

- Facing the audience
- Still but animated
- Making eye contact with the audience

Your movements are distracting to the audience. At times you faced the audience and made eye contact.

You are an Expert! You:

- Are not reading from the script
- Know your roles
- Avoided - "ummm, stuff, like, what do you call?, what's that word, oops"

The pictures, videos, &/or websites you picked are:

- Important & relevant to your topic
- Good quality
- Organized

You are almost an Expert! You:

- Read from the script a few times
- Know your roles
- Said a few - "ummm, stuff, like, what do you call?, what's that word, oops"

The pictures, videos, &/or websites you picked are:

- Important & relevant to your topic
- Most are good quality
- Organized

You know your roles, but you read directly from the script. Often said - "ummm, stuff, like, what do you call?, what's that word, oops"

The pictures, videos, &/or websites you picked are:
- Somewhat relevant to your topic
- Most are good quality
- Organized
